## Christ the King Catholic School - Commitment Hours

Christ the King Catholic School is grateful for our school community and the tremendous support we receive from our families. The countless volunteer hours given help CKS to provide a wide variety of activities and fundraisers that directly benefit our students. Per the tuition contract, we will require **30** volunteer hours for the 2017-2018 school year (15 for single parent families and those families with only an 8<sup>th</sup> grade student). EEC-only families are exempt.

Families unable to fulfill their commitment hours will reimburse the school at a rate of **\$20** per hour which will be billed to the FACTS account at the end of the school year. For special circumstance please contact the school principal. There are certain activities and events throughout the year that have been assigned to specific grades. All families of that grade level are expected to participate in the designated events. **Thank you** for your time and talent in helping our students.

All K-8 Family Commitment Hours will be submitted using the CKS website ([www.ckseattle.org](http://www.ckseattle.org)). Click on the **PARENT/ALUMNI** page and then click on **Volunteer Commitment Hours**. On this page you will find a link: **Submit my commitment hours!** Don't forget to hit the submit button. For those families that do not have access to the internet, please request a paper copy for submitting hours. All families will receive a report at the trimester giving a detail of commitment hours entered to date. Please see the sign-up genius to sign up for a specific job. There are many needs!
